

SANCTUARY

FROM INSIDE THIS SANCTUARY WHERE WE HIDE AWAY
EVEN IN THE DARKEST HOUR LOVE HAS FOUND A WAY
HIDING HERE UNDER THE SHADOWS NOT TO BE DENIED
SHARING ALL WE HAVE TO GIVE WITH ALL WE HAVE INSIDE
IN THE DARK WE SEE WHAT CAN BE SHINE A LIGHT ON ME
COME INSIDE WE ALL CAN HIDE YOUR WELCOME ANY TIME
IT WON'T BE LONG AND WE'LL BE STRONG
AND THEN WE ALL CAN SHINE
IN THE DARK WE SEE WHAT CAN BE SHINE A LIGHT ON ME
FROM INSIDE THIS SANCTUARY WE ARE HERE TO SING
BECAUSE DEEP DOWN INSIDE US
THERE'S A JOY WE ALL CAN BRING
IN THE DARK WE SEE WHAT CAN BE SHINE A LIGHT ON ME

EVERYDAY IS BEAUTIFUL

OH OH OH OH OH OH OH OH OH OH OH OH OH OH OH OH OH
EACH DAY IS SO WONDERFUL EVERYDAYS THE SAME
THE SUN COMES UP AND FILLS THE SKY IT NEVER SEEMS TO RAIN.
GRAB MY FAVORITE FLOPS AND I'LL JUST HEAD OUT OF THE DOOR
MAKE SURE THAT I HAVE MY BOARD I'LL NEED IT ON THE SHORE

AND I SAY LA LA LA EVERYDAY IS BEAUTIFUL LA LA LA AND I'M HERE WITH YOU
OH YEA OH YEA
COOLER FULL OF EVERYTHING TO GET US THROUGH THE DAY
WE'LL REFILL WITH SEA SHELLS AS WE WANDER ON OUR WAY
TRAVEL UP AND DOWN THE COAST WHILE HAVING ALL THIS FUN
EVERYDAY IS HEAVEN UNDERNEATH THIS GREAT BIG SUN
AND I SAY LA LA LA EVERYDAY IS BEAUTIFUL LA LA LA AND I'M IN LOVE ITS TRUE
LA LA LA EVERYDAY IS BEAUTIFUL LA LA LA AND I'M HERE WITH YOU
OH YEA OH YEA
WAVES AND CAVES AND SEA AND SAND AS FAR AS I CAN SEE
THE TIDE ALLOWS THE WONDER OF IT ALL TO COME TO ME
STILL EVERY HOUR THE LIGHT WILL FADE AND DARKNESS COMES SO SOON
THE SUN LAYS DOWN ITS WEARY HEAD YET STILL LIGHTS UP THE MOON
AND I SAY LA LA LA EVERYDAY IS BEAUTIFUL LA LA LA AND I'M IN LOVE ITS TRUE
LA LA LA EVERYDAY IS BEAUTIFUL LA LA LA AND I'M HERE WITH YOU
LA LA LA EVERYDAY IS BEAUTIFUL LA LA LA AND I'M IN LOVE WITH YOU
OH YEA OH YEA OH YEA OH YEA

Time Slips By

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

I've got this feeling here today telling me to get away

I wan't to fly away although There is nowhere I can go

But I simply have to try I'm not letting time slip by

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

I won't speak low when I speak love the only thing I hold above

I feel it right down to my soul If I lost you I'd lose control

So I simply have to try I'm not letting time slip by

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Can you see what I can see Then just ride along with me

Yea we simply have to try We can't let the time slip by

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Oh Oh Oh Oh Oh Oh Oh

Neverland

I always knew that Right from the start

There is a place found Here in my heart

Always believed it More precious than gold

Time is unknown and You never grow old

Don't have to think about the future

There's no need to have a plan

And I kind of like the view here

Here in Neverland Here in Never Never land

Don't have to think about the future

There's no need to have a plan

Yea I think that I'll just stay here

Here in Neverland Here in Never Never land

Peace of Mind

With all things I went through Before I met you
I had gone and lost my way
I kicked about the place Until I saw your face
I've been grateful to this day
There's a peace of mind just knowing A love that's always showing
With a sparkle and the glowing in your eyes In your eyes
You came and rescued me And now I can see
What it is I'm living for
You taught me how to grow And I want to let you know
I couldn't love you any more
There's a peace of mind just knowing A love that's always showing
With a sparkle and the glowing in your eyes
I must have been forgiven Finally I've been living
Everyday I see a new sunrise In your eyes
There's a peace of mind just knowing A love that's always showing
With a sparkle and the glowing in your eyes
I must have been forgiven Finally I've been living
Everyday I see a new sunrise
Through all the years I've known Your smiling face has shown
The love reflected in your eyes

FIRST SNOW

SUMMERS GONE ALL THE LEAVES HAVE FALLEN
COLD WIND BLOWS WINTER NOW IS CALLING
SNOW IF FALLS DOWN TO THE GROUND
COVERING ALL AROUND TODAY
IT'S SO COLD AND DARKER THAN I CAN SEE
WITH YOU GONE EVERYTHING IS EMPTY
YOU WERE HERE RIGHT BY MY SIDE
NOW I JUST RUN AND HIDE AWAY
FALLEN SNOW LIES ALL ROUND
COVERING THE VERY GROUND
YOU LAY

Love Will Find A Way

Choirs bare where late the sweet birds did sing
I recall the wonder of Joys we bring
I played this gentle wood motion sound
You moved like gentle should all around
Love does not alter when alter finds
Fears of hopes and hopes to fears come to mind
Still losing when I saw myself win
That's the love inside still within
Love does not bend or break or delay

And like the darkness into day Love will find a way

Love does not bend or break or delay

And like the darkness into day Love will find a way

I NEED YOU

Ever since I saw you Coming into view

My heart started pounding And right then I knew

You were right for me and Though you played it cool

I would not be shaken As I played the fool

I fell in love the day I met you And I know my love is true I need you

I'd be lost without you And that's plain to see

Nothing that I can do Since you came over me

I fell in love the day I met you And I know my love is true I need you

There are many things that have been worthy to pursue

One of them is all the loving that I never knew I need you

Everything that I know All I have to say

Is I will always love you until my dying day

I fell in love the day I met you And I know my love is true

I need you I need you I need you I need you

EVERYTHING IS RIGHT

Everything that's alive Has a will to survive
Because everyday is a prize That we all realize
Every moment with you Is just something so true
From the smile on your face To the love and the grace
So be true and be strong This is where we belong
Hand in hand side by side Where we feel so alive
As we rise in the morning All the way through the night
In everyway this is such a pure delight And everything is right
Everything is right Everything is right

As we rise in the morning All the way through the night
In everyway this is such a pure delight And everything is right
Everything is right Everything is right

Feel That Heartbeat

Listen To the faint dry sound Listen Rumble all around
Listen Hear the heartbeat sound again
Closer Closer everyday Closer And in everyway
Closer Feel the heartbeat sound again.
Feel that heartbeat come again Hear that faint dry sound
Hear that heartbeat coming all around
All Around All Around
Hold me Like you wont let go Hold me As I lose control
Hold me Like you'll never hold again

Living And you wonder why Living Time is passing by
Living Like you'll never live again
Feel that heartbeat come again Hear that faint dry sound
Hear that heartbeat coming all around
All Around All Around
Feel that heartbeat come again Hear that faint dry sound
Hear that heartbeat coming all around
All Around All Around All Around All Around

All in All

This is real hold on tight
There is something that is coming in the air tonight
All your fears wash away
Hold on tightly and say goodbye to yesterday
All in All Standing tall against the rain
Firmer ground won't be found again
Just forget what you know
Keep your wits about you when the cracks begin to show
Then be strong and hold fast
With an eye to those things we want to always last
All in All Standing tall against the rain
Firmer ground won't be found again
When it comes We will see If our world can go on
And we'll know we can be

Better than we are now when the danger is gone
As it comes into view
Think about how life will be when we can all get through
Then we'll all come to know
All those things that we learned so very long ago
All in All Standing tall against the rain
Firmer ground won't be found again

High Flyer

Here all we are All that we say Here all there is day after day
Here every move All that you love All can be seen Down from above
Here you will stop there you can go
There's where you'll drop here's what you'll know
High flyer is there for me High flyer set me free
So many eyes looking at you All you have done All you will do
Keeping your mind Under control
Stealing your heart Your very soul
High flyer is there for me High flyer set me free
Holding on to what is right As we fly into the night
